Minutes approved as presented.

Treasurer's reports: Presented, discussed and accepted as presented.

April 7 first Skywarn outing due to a fast-moving system. Steve Krotz was NCS. Wayne, Mark, Aaron participated.

We still need a 7 pm NCS to begin calling Monday nite nets.

POTA may not be doable if restrictions are still in effect.

Exams are probably on hold.

Field Day also in jeopardy.

May meeting on the 21st

Ares Meeting on May 26

Question raised about continuing Zoom meetings even when things go back to normal.

Next question, can Field Day be conducted remotely?

Question: Remote testing for Exams?

A meeting had been scheduled with Muscatine but cancelled due to the Covid-19 Virus. A Columbus Jct. (Louisa County Fairgrounds) site has been chosen for the next Hamfest. Lots of rumors and poor communication between us and Muscatine. Facilities were discussed.

Rick moved to adjourn, Lee Second, carried.
