Minutes approved as presented.

Treasurer's reports: presented, discussed and accepted as presented.

Winter Field Day results were discussed. Winter Field Day Videos were enjoyed: Mt. Diablo Winter Field Day and SAT contacts for Winter Field Day.

The new repeater has almost no tail squelch but it is working correctly.

Weather spotter training in Washington is scheduled for March 19 at the library

EOC: costs for Heliac to relocate to the new tower will be several thousand dollars so grant applications are in the works.

We are looking for other members to step up and call the nets.

Special events field day is again being discussed, for example a State Park event. We are now planning on a May 2, 2020, date to get into QST Magazine.

Summer Field day is June 27 & 28, time to pick a spot.

52 Challenge: Throw out your call and get recorded for points. Jane won the first drawing. No word on what she won.

There has been some miscommunication with the Muscatine club so our officers are planning to meet with them to clear the air.

License Testing: Sign up at 10:30 AM and start at 11 due to a change of Library hours.

March 24 will be the ARES meeting.

Richard moved, Steve second to adjourn the meeting at 9:16 PM.
