

WAARC MINUTES 02/18/2021

MEMBERS PRESENT: Michael W0HAF, Wayne KE0JVU, Bruce WB0GAG, Craig KCOYHU, Barb KDONEZ, Steve KR0TZ, Hank W6IR, Terry WRKV386, Bill KC0WGF, Jeff, KF0DNF, Jim KE0UYX, Mark AB0DX.

Minutes presented and accepted as presented.

Treasurer's report was presented and discussed. Accepted as presented.

Winter Field Day review: 66 contacts mostly 20 M and 40 M with 2 on 80M. We were not real careful to sign in and out of the software. We had digital problems so only a few digital contacts. We had some technical difficulties with a vertical antenna and found white rust. Mark suggested coating the sections with an anti-oxidant this summer. We had good help to setup and teardown. Mark also suggested a manual to coach us thru setup.

Next exam on March 6 in the Faith Baptist Church gymnasium and will have room to take walk-ins.

March 18 is next club meeting. Another grant to Walmart will be submitted. The Riverboat will begin grants again this year we think. March 6-7 will be a DX Phone contest.

Craig moved to adjourn at 8:17, Bruce second, carried.
