Treasurer's reports: presented and discussed and accepted as presented.

Amplifier, TL-992A, taken for repair last month is ready for pickup. His statement is authorized for payment.

At the last VE exam, 5 people took the test for Technician and all passed.

Winter Field Day is January 25 & 26. Friday 1 PM we meet to set up. Terry will cook meals again. Please chip in to cover the food costs. Runs from 1 PM Saturday to 1 PM Sunday then teardown.

NK7A, Mark Hasham in California has helped our club with various equipment and suggestions and he has recently donated a DR2X Fusion Repeater to help us upgrade.

We have been investigating new solid state computers with no moving parts for use in the comm trailer, iPC R2ix is one possibility which could cost around \$8000 funded by grant applications.

Up Coming events: Jan 28, ARES meeting, and Feb 20 next club meeting.

Rose moved to adjourn the meeting and second by Bruce at 9:05 PM.

Respectfully,

Wayne Gould, Secretary
