Comm Trailer update. Antenna brackets to be installed, some spruce up ready for Ridiculous Days. Work day Saturday at Mark's

443 Repeater is down for the foreseeable future. It must be sent in to Yaesu.

Ridiculous Days, June 1, want us to be set up by 9 AM, will have our trailer, a popup shelter and tables for display. CERT will share our space.

Field Day, June 22 and 23: set up beginning Friday. Comm Trailer, cargo trailer and both antenna trailers will be used. We will be a class Foxtrot by being setup at an EOC location. We will operate our usual radios plus FT8 and maybe a 6 meter station. Terry will cook again and we will have a donation can to help cover food expenses. Discussion followed regarding different ways to earn points.

We will adjourn and have a program on FT8. Earl moved, Bruce Second to close at 2022. Motion Carried.
