

WAARC ZOOM Minutes
September 17, 2020

Members present: President Mark, AB0DX, Treasurer Michael, W0HAF, Secretary Wayne, KE0JVU, Bill, KC0WGF, Hank, W6IR, Lynn, N0XOB, Steve, KR0TZ, and guest Charles Penelton

Minutes presented and accepted as presented.

Treasurer's report presented, discussed and accepted. President Mark presented a bill for Paypal. Michael moved to reimburse President Mark

Discussed Kewash Half Marathon event. There were 2 medical emergencies. Mark has received good feedback on our duties at the event.

Test Exam Saturday was well attended 7 took 11 tests, including one who reinstated his license. Masks and sanitizer and social distancing was all used. The next test will be at the church in November. Discussion about new hams and how to help them get going, Maybe assign a club member to each new ham to give them a face and contact for help .

September 19, 2020 is the Iowa QSO event, 9 am to 9 pm. Good practice. Also leave emergency frequencies clear for Hurricane messages. Antenna trailers are scheduled and waiting to hear from Swaffer Welding. Mark suggests obtaining a battery to power the winches. We need new storage boxes for the antenna trailers as the ones we currently have are in bad shape. We need a volunteer to go look for something to replace these boxes.

Respectfully,

Wayne Gould, KE0JVU
Secretary
