Suggested Sustaining Fund contribution-\$30/YR (Voluntary)\*

\* Our Basic membership dues cover basic obligations to operate our Club-ie: insurances, electricity, and daily operating costs. The Club no longer relies on external fundraising efforts of our membership that require commitment of your valuable time and energy to finance our many operating events throughout the year.

Instead, we voted to form a "Sustaining Fund". Our member`s contributions, collectively, insure we can continue our many activities and cover any unexpected expenses such as equipment repairs and needed Maintenance.

Additionally, we are a 501.c.3 organization, so your contributions may be tax deductible. Just add a note with any contributions you make that you would like a receipt and we will gladly honor your request!
