

Meeting Notes

9/18/25

Meeting was called to order by Mark at 7 PM.

Roll call was called the Secretary and 10 members were present. Last month's minutes were presented by the Treasurer and approved.

Michael gave the financial report and it was approved.

Rick gave a talk about the towers that have been taken down for resale or for club members.

Currently we have enough that we can sell a few and have a few for club members. Also asked what to do with things left over from rebuilding the new Com Trailer.

Mark gave a presentation about our setup etc. at Old Threshers in Mt Pleasant. Due to the interest that was shown down there this year, it was decided to look into doing it again next year. Also discussed bringing things for a kind of show and tell, and also either running a radio from the table outside or putting a speaker out there to help gain attention.

Mark brought up that the city would like us to help on Oct 31st, from 5 PM to 6PM on the square helping people cross the roads safely, as we did last year. City was very appreciative of our help. Must have safety vests and flashlights. Will need at least 8 people to fill all the spots.

Also, November 29th they will have a lighting ceremony on the square but they will not need us this year.

Xmas party will be at Illa Millers again on Dec 6th at 5 PM with entertainment to follow.

5-9 Junction will be on the stage in Central Park on Oct 2nd during the Farmers Market from 5:30 till 7PM

Daniel will be down at Hamfest in Columbus Junction on Oct 5th giving a presentation and Rick will be taking some tower sections down to hopefully sell.

Next meeting will be at the Library at 7PM on Oct 16th.

Motion was made to adjourn the meeting by Steve and 2nd by Craig to adjourn at 8:38.

Respectfully,

Assistant Secretary Rick.
